

Resolution on Education

May 2010

Whereas, The Idaho legislature in the 2010 session chose to cut education funding; and

Whereas, Idaho children are our most precious asset and the future of Idaho; and

Whereas, Children only have a short period of their young life to learn and develop into contributing citizens; and

Whereas, By cutting funds for education, we will not be able to provide to our children the necessary skills to survive in our society,

Therefore Be It Resolved that AAUW Idaho publicly calls for adequate funding for quality education in Idaho.
